

Project CIVICA

Because Freedom Doesn't Defend Itself

Are you concerned about New York's future?

Do you want fair elections, better laws, and a government that works for you—not special interests?

Join Project CIVICA's statewide network of local coalitions dedicated to restoring accountability, transparency, and citizen-led governance in New York.

◆ **Why Join a Local Coalition?** ◆

Whether you're part of a 2A group, a civic club, a faith-based organization, or just one concerned individual—you have a role to play.

Each county team helps with civic engagement. For example:

- Voter registration drives & poll watching
- Tracking legislation that impacts your elections and representation
- Educating the public on how government works
- Filing FOIL requests & exposing irregularities
- Coordinating with state and national advocacy groups

Your group stays independent. We just amplify your voice and provide the tools, training, and support to make a difference.

◆ **Why Support Project CIVICA Financially?** ◆

We're building the infrastructure New York desperately needs:

- Publicly accessible research on New York elections and election legislation
- Templates, training, and oversight tools for government and election oversight
- Video campaigns and media outreach
- Coalition organizing across every county
- Political strategy for better representation

Your donation helps us expand our impact—and fast.

Whether it's \$25 or \$2,500, every dollar moves us closer to a state that respects its citizens.
